Reference: Amended 30 Day Post-General Report (10/18/2012 – 11/26/2012), Received 01/31/2013

Dear Ms. Kelly:

This letter is in response to your request for additional information on the above-referenced report, with regards to the additional debt that was added on the amended report. After the original Post-General report was filed, the Committee received additional invoices from vendors and therefore amended the report to disclose the new amounts. In addition, the Committee inadvertently omitted the estimate payroll taxes for the outstanding payroll debt, so the estimated payment to Paychex for those taxes was also added on the amendment. The Committee made every effort to include all known debt on the original filing, but amended the debt schedule to include the additional amounts after they were made known.

With regards,

Janica Kyriacopoulos
Asst. Treasurer
